

***Pure Water Paddlers***  
Minutes of Meeting 10/12/05

The meeting was held at Hallie Golf Course.  
Welcome to Gene Holte and Polly Rongstad - our newest members!

The next meeting is to be held:  
Wednesday, November 9, 2005 at 7:00 pm at the Hallie Golf Course.

Treasurer not present - No report given. Theresa is expected to return prior to the November meeting.

Officer Nominations were given as follows:

President: Brenda Puck (Cheryl/Fred)  
Vice President: Kathy Schultz (Jon B/Patty)  
Secretary/Treasurer: Cheryl Gast – (Patty/Elke)

Nominations may still be made by contacting one of the present officers. A list of the nominees will be posted on the website and voting will take place at the November 9<sup>th</sup> meeting.

The Year-end Cookout has been “Revised”.

Same date, but the location will now be the Hallie Golf Course instead of the Hallie Sportman’s Club. Patty presented the catering figures she obtained. The members present felt our club account would suffer if the club were to fund the entire cost for food. Other food choice options were discussed. The final decision is to have Hallie Golf club cater the food and initiate a \$5.00 charge for each person attending to help cover the cost of food. Brenda and Patty are working on the festivity details and will be posting a notice on the website along with a request to RSVP. **Please respond to Brenda at [puckbs@gmail.com](mailto:puckbs@gmail.com) by Wednesday 10/19 at noon.**

Pool Practice.

One of the missions of this club is to offer training. Jon B presented information regarding the availability and cost of using the Northstar Middle School pool. The cost is \$20 per hour for the facility on Wednesday evenings and \$65 per hour on the weekends. The higher weekend cost is to cover a custodian. There was interest by the members in pursuing this so Jon will see if he can get some dates on our calendar beginning in January.

As a reminder Stout still has Rolling clinic and Deep Water safety pool times available for October and November but sign up ends soon. Check the website link to Stout for details.

### New Library

A motion was made (Jon/Fred) to create a resource library of videos, books and reference materials to be available to club members. The Vice President would be in charge of the library materials and keep track of the location of each item. The club will put \$150 towards the purchase of training videos / books. Jon will put a list together of his suggestions for purchases but input is welcome from all members. Jon will post the suggestions on the website and voting on the items will take place at the November 9<sup>th</sup> meeting.

### PWP Clothing and other items.

Renee is willing to put another small logo screen print order together, but she needs a minimum of 12 pieces to make it happen. If you want that T-Shirt or tank for next summer now's the time!

### Wolf River

Patty presented information from the Bear Paw Resort asking if club members would be interested in reserving a lodge or campsite for next years Wolf River Paddle. She told us they book up fast so we should set a date for early May - June. Would anyone be interested in Memorial Day weekend for the trip? Patty says she will spearhead a trip that weekend or the 1<sup>st</sup> weekend of June for the group if people are interested.

### AWA Membership and Am Canoe Association

Membership was discussed for both groups but the decision was tabled until the November meeting as membership is pricey for both.
