

Pure Water Paddlers
Minutes of Meeting 11/09/05

The meeting was held at the Lake Hallie Golf Club. Our next meeting will be January 11th also at the Lake Hallie Golf Club.

The election of officers was held. There was a unanimous vote for the following:

President: Brenda Puck
Vice President: Katherine Schultz
Secretary/Treasurer: Cheryl Gast

Congratulations to the new officers.

Discussion was held regarding pool session with a local school, which would require us to have insurance, or to continue to go through Stout Adventures at UW Stout in Menomonie. It was discussed that we would hold off at this time in purchasing insurance and try to coordinate some dates with Stout Adventures. We will need to pick some dates that will work, possibly Sunday's. They will again teach us Deep Water Safety, Rolling Clinics, or just open pool sessions. We will be able to bring in our own boats but they must be absolutely clean.

Also brought up for discussion was starting a training/safety video library. It was approved and voted on to spend \$150 towards the cost. There will be a listing available on the website for those who wish to use these items.

Again the next meeting will not be held until January 11, 2006 where there will be a change over of officers.
